

Don't Let These Creepy Crawlers
Ruin Your Halloween!

Happy Halloween Caryn,

There's nothing more frightful than getting bitten by bed bugs! If you've ever suffered from bed bug bites after a

stay at a hotel, you know how painful and itchy they can be! The itch is almost unbearable, and you can wind up covered with red welts all over your body. Bed bugs feed on blood and cause extremely itchy bites. The bites can leave you with permanent scars – both permanent and mental – from the trauma.

If you suffer from bed bug bites after staying in a hotel/motel, bed and breakfast or vacation rental, call RTRLAW's personal injury attorneys for assistance at 1-833-HIRE-RTR. [READ MORE](#)
